ITEMS TO BRING

Bible: along with a pen or pencil

Clothing: Sweatshirt or jacket for cool evenings. We are very casual around here. Jeans and long shorts are acceptable (Yoga pants are not acceptable). We request modest apparel.

Footwear: proper shoes for playing games and running, such as sneakers or similar footwear. **Sneakers will be required for hiking.** Also, footwear for going to the creek and/or playing in the creek, such as flip flops or water shoes. The "water footwear" is acceptable only for showering and swimming.

Sleeping gear: Bring a warm sleeping bag (even though it is summer it can get cold at night especially sleeping in a hammock with air flowing all the way around your body)! We have some a few sleeping bags for sale in our store \$20. If you plan on buying one here, let us know beforehand.

Swimming gear: Bring a swimming suit (no bikinis or speedos) and flip-flops or water shoes that can be used for going to the creek and/or in the creek. Towel for use at the swimming hole.

Rain gear: a raincoat or umbrella if desired.

Toiletries: toothbrush & paste, bath soap, shampoo, towel, sunscreen if desired. Flashlight and extra batteries.

Digital Camera: if desired

Spending money: The Wayumi Bookstore items include Wayumi T-Shirts & hoodies, hammocks, books, & mugs. There is no food or snacks for sale. If desired, cash can be checked in to the camp office for safe keeping.

ITEMS THAT NEED TO BE CHECKED IN UPON ARRIVAL

Electronic devices: MP3 players and any other portable music device; communications devices; and gaming devices. If the camper feels that they need to bring them for the trip, the Office will hold these items in a safe place for each student until departure time. [Note: The Staff is not trying to make it hard for any student but is trying to maintain the decorum of the Camp, the safety of all involved, and avoid the disappearance of any of these items that will be checked in.]

Food and candy: Please refrain from taking personal food to your sleeping quarters in “jungle camp” (in the woods) to avoid the possibility of attracting varmints.

SPECIAL NEEDS

If there are special needs (including food allergies) that the Staff should consider, please notify your Church leaders and the Wayumi Expedition Staff so these can be taken into consideration.
